Details

Grain flakes and seeds mix to be used before leavening. Decorgrain enrich your bread with fiber, minerals, vitamins, and other important nutrients, perfect to meet the needs of a balanced and wellness-oriented diet.

Description

mix of seeds (sesame-sunflower-linen) and flakes (spelt) ideal for bread decoration.

Denomination

semifinished product for bread decoration.

Directions for use

DECORGRAIN must be applied on the shaped bread before rising.

Wet the surface of the bread and lay down them gently on a big quantity of DECORGRAIN trying to let the seeds and the flakes well stick.

Place the bread on the pans and let rise.

We suggest to carry out the baking of the bread introducing abundant steam in the oven.
