The ready-to-use white chocolate cream with a soft consistency has a brand new formula. Highly versatile, it is meant to be used for after-baking filling operations, it gives excellent results even when used to flavour creams and liquid cream.

Description

CHOCOCREAM BIANCO has a soft and spreadable consistency which makes it particularly suitable to be used as filling for croissant, "fagottini" and brioche. CHOCOCREAM BIANCO can be used without problems to add flavour to fillings and whipped creams and is also suggested in ice-cream preparation. Thanks to the presence of real white chocolate it is possible to declare "with white chocolate".

Denomination

fine white paste. Semifinished confectionery product.
