INFO

Claims
With 45% of real raspberries.

Details
Raspberry filling. With their high content in real fruit and incredibly soft spreadable texture, Irca fruit spreads are perfectly suitable for fillings, either before or after baking.

Description
oven resistant raspberries jam having spreadable consistency.

Denomination
semi-finished product for confectionery use.

Directions for use
the soft structure of the product allows the direct use with sache a poches or mechanical proportioners. The jam must be not mixed before using as this has a negative effect on oven stability.
