INFO

Details
Carefully selected apricot puree. Due to its texture, it particularly suits before-baking croissant filling operation. Discover all other apricot versions (classic, Dulcania and Oro) and cherry variant too.

Description
oven resistant apricot filling.

Denomination
semifinished product for confectionery

Directions for use
the soft structure of the product allows the direct use with sac à poche or dosing machine. It is advisable not to stir the product before using the product in order to avoid a negative effect on oven stability.
