Details
Hot process raspberry flavoured mirror glaze. Perfect for easy and stable covering for cakes, including on vertical or doomed products. Freeze-stable, it provides a long lasting perfect glossy shine even at low temperatures (-20°C). Discover all available fruit and cream flavours and let your creativity fly.

Description
red coloured raspberry jelly ready for use, particularly suitable for glazing pastry products. It keeps its extremely shining aspect also at -20°C.

Denomination
semi-finished pastry product for decoration.

Directions for use
take the necessary quantity of MIRROR RASPBERRY from the packaging, warm it up in the microwaves oven or in bain-marie at 45-50°c, then stir shortly without englobing air.
Place the sweets to be glazed on the proper grates and cover with MIRROR RASPBERRY.
MIRROR RASPBERRY can also be used with good results on flat surfaces without warming, in this case work shortly with a spatula before using it.
