PANE & LATTE

Easy and quick milk bread 50% concentrate mix. It lends itself to a wide range of applications: milk bread loaves or buns, posEasy and quick milk bread 50% concentrate mix. It lends itself to a wide range of applications: milk bread loaves or buns, possibly enriched with chocolate chips, plaited bread, pullman bread for sandwich, toast and canapé, as well as sweet or savory focaccia snacks, burger and hot-dog buns. Thanks to the careful combination of selected ingredients, end products will be marked by delicious flavour and appetizing appearance: tempting golden-brown thin soft crust and fluffy soft-colored center with regular dense bubbles.
