BAKERY AMAVITA MIX

Whole bread mix made from natural ingredients. The special recipe with plant proteins (such as wheat, soy and chickpeas) provides it with a higher protein content than traditional bread. AMAVITA is the perfect mix to make lowcarb bread (6% carbohydrates), rich in proteins (26.5%) and fiber (11%). The ideal for those who stick to a dissociated diet plan and the most suitable choice for dinner. Discover the easy version too!
