PASTRY

DELI CHOUX

Special complete mix to quickly get a soft smooth batter to make excellent well-risen choux with regular shape and light nutty colour. End products made with DELI CHOUX boast authentic taste, like those made following the traditional recipe, and are marked by excellent volume, with a wide inner hollow which will make filling operations easier. No matter if you use deck oven or fan rack oven, you will always get the best results. This mix is also suitable for making appetizing baked zeppole, a typical dessert from Italian pastry tradition!
