AMERICAN COOKIES

AMERICA CHOCOLATE COOKIES g 1000

Soft butter g 300

Eggs g 50 (1 egg)

Water g 80

CHOCOLATE PEPITA 600

or CHOCOLATE CHUNKS G 400

Mix all the ingredients in a planetary mixer with paddle for 2 minutes at low speed, then incorporate quickly the chocolate Chunks or Pepitas.

Divide the dough into pieces of 40-60 g weighing them and giving a rough spherical shape or using an ice cream scoop, then deposit them on a baking tray and flatten them slightly. Alternatively, shape the dough into cylinders (4-5 cm diameter ), wrap them with baking paper, chill them in the refrigerator for at least two hours and cut into discs (1cm thick), after complete cooling. Leave plenty of space in the pan between a cookie and the other (12-15 pcs. - Trays of 60x40 cm). Bake at 160 ° -170 ° C for about 15 minutes in deck oven or 150-160 °C for about 15 minutes in a ventilated oven. As an alternative to the Pepitas or Chunks use chopped nuts, raisins etc. The characteristic of American Cookies is to be soft and not completely dry.
