

VEGAN CREAM

OTHER COLD-WORKING CUSTARDS

The smart solution for plant-based pastry fillings

VEGAN CREAM is a powdered mix designed to create smooth, flavourful vegan creams in just a few minutes. Ideal for filling baked desserts after cooking, it offers maximum versatility and creative freedom for professionals. It can be prepared cold in two easy ways:

- · with your choice of plant-based drink (oat, rice, almond, soy, coconut)
- · or with water and flavouring pastes, such as Joypaste.

Customisable, fast, and certified VEGANOK, it's your go-to base for indulgent plant-based creations, without compromising on texture or taste.

100% plant-based
