

# NEUTRAL BASE WITH FIBERS 15G

GELATO DOMORI

A base designed to provide optimal structure and creaminess for gelato and sorbet. Made with natural ingredients, it is enriched with fibers to enhance creaminess and improve the final texture. A versatile base created to support Domori gelato creations, allowing the aromatic expression of ingredients to emerge while ensuring a balanced and consistent result.

Natural ingredients enriched with fibers for enhanced creaminess. Balanced structure and smooth, even texture.
