

SICILIAN ALMOND SLUSH

Advanced level

JOYBASE GELATOGEL	650g
water	2.600g
MOGADOR PREMIUM	1.200g
TOTAL	4.450g

Mix all the ingredients with a hand blender and put the mixture into the batch freezer until it reaches the ideal consistency.
Lay the slush in the bowl and conserve it in the showcase.
The same recipe is also obtainable using the slush machine.
