CARAMEL CREAM FILLING

TOFFEE D'OR CARAMEL

qb

Inject a few grams of Toffee D'Or Caramel into each choux using a piping bag.

DUBAI TOPPING

PRALIN DELICRISP DUBAI PISTACHIO

qb

Gently warm the PRALIN DELICRISP DUBAI PISTACHIO, then spread it thinly between two sheets of baking paper.

Let cool and cut into discs slightly larger than the choux.

FINAL COMPOSITION

Arrange the choux filled with milk chocolate namelaka and caramel cream on a serving tray or plate.

Place the thin discs of PRALIN DELICRISP DUBAI on top—once softened slightly, they will drape naturally over the choux, creating a rippled effect.

Decorate with more milk chocolate namelaka, a chocolate plaque, and DOBLA Spears.
