

SINFONIA CARAMEL ORO 10

Sinfonia Caramel Oro is our brand new **caramel chocolate**, characterized by a naturally golden color and a delicate, creamy and enveloping taste with indulgent toffee nuances.

An **inimitable formula** born from **a skilful blend of ingredients** that combines the typical flavor of caramel to the light savouriness and richness given by butter, whole milk and derivatives, creating a fine and simply good chocolate.

This is our golden recipe: an irresistible masterpiece designed by our expert chocolate masters and carefully formulated by our R&D, now available for every professional.

Try it to easily make surprising pastry creations and excellent chocolate recipes thanks to its fluidity and simplicity of processing.

Application aspects:

- Optimum melting temperature 45 °C
- Recommended tempering temperature: 27-29 °C.
- Cooling/crystallization temperature 15-18 °C
- Medium to high fluidity
