Dear Sir,

Sub: Granting Rainforest Alliance certification

Congratulations for successfully attaining Rainforest Alliance certification of your Site based on Rainforest Alliance 2020 Sustainable Agriculture Standard Supply Chain Requirements.

INDOCERT certification committee has decided to grant Rainforest Alliance certification to **M/s. IRCA Manufacturing France SAS (RA_00103252206)** under **scope Supply chain-Single Site in** accordance with RA 2020 standard. The certification granted to you is only applicable to the location and products mentioned in the certificate.

All your claims regarding Rainforest Alliance certification should be within the scope of certification. In case, you desire to increase or reduce the scope of certification, you must inform INDOCERT to decide whether to plan an additional audit visit or not.

Additional requirements to be maintained for certification: Nil

Kindly note that surveillance audits must be conducted during the certification cycle, within the following timeframe:

- i) **First surveillance audit shall take place between 09 to 15 months after the date of certification.**
- ii) Second surveillance audit shall take place between 21 to 27 months from the date of certification was issued and minimum nine months after the first surveillance audit.
- iii) The (re)certification audit shall take place between 3 months before and 3 months after the start date of the harvest of the main crop to be certified.

You are obliged to inform us of any significant changes in the organization such as legal, commercial, organizational status or ownership, changes in the products/ production contact address, sites etc.

We hope that you will maintain the standard of certification in accordance with the contract requirements and guidelines that have been issued by INDOCERT.

Thanking you,
Yours truly,

Jaicy Joseph
RA Scheme Manager
INDOCERT
